TRENDY TIMEPIECE BY BERTOLUCCI

bertolucci releases the sporty side of its Casual Chic universe the BELLA COSTA, harmonising a strong look, practical and comfortable wear with a touch of distinction. The round stainless steel case is artfully animated with a twist given by an off-centred dial and bezel combination and the sporty minute track becomes an original gradation of Arabic figures. It protects a strong dial adorned with patterns and details.

BELLA COSTA becomes an emblem of modernity, function, fun and style.
