

Be My Valentine with a

Bertolucci

Nothing conjures up the romance of Valentine's Day more than something from the exotic Mediterranean. And Bertolucci, the Swiss luxury brand with Italian inspiration, certainly delivers Valentine's gifts steeped with the passion of love.

Heart to heart with SERENA GARBO "Valentina"

Casually chic but infused with the 4Cs of Bertolucci – creativity, curves, comfort and construction – the SERENA GARBO Lady celebrates the well-being and joy of living. The elegance and sensuality of Latin women are captured in a contemporary and urban design featured in a stainless steel case set with 36 full cut VS diamonds, white opalin dial with applied hour track, pink alligator and calf leather strap. What makes it the perfect Valentine's gift for your beloved is a loose heart set with 14 pink sapphires in the dial.

VOLTA for the adventurous lover

Adventurous yet feminine, VOLTA is equipped with two different time zones and the design is reminiscent of the glimmering sun's reflections under the seawater. An 18K rose gold case encloses a white silvered opalin dial with 92 single cut VS diamonds and 1 full cut VS diamond, complemented with an ochre alligator strap.

The colour of love from Bertolucci Jewellery

Red is the colour of love and a pair of Bertolucci 18K white gold drop earrings set with 770 princess-cut rubies (1.08; 1.2 ct) and 12 diamonds (2.76 ct) will symbolise your love for eternity.

His and hers Bella Costa

Nothing shows your love for each other more than a his and hers matching watch. The new Bella Costa sport watch is dedicated to those very special and timeless moments like time spent relaxing on the Mediterranean coasts. An ultimate accessory in the summer, the Bella Costa is the personification of modernity and function, fun and style. Its trendy design features a round stainless steel and black PVC case artfully animated with an off-opening and the sporty minutes track becomes an original gradation of Arabic figures. The progressive coloured flange underlines the dial décor inspired by a boat deck and a specific calendar date in 'Cotes de Geneve' revealed through a magnifying lens. The ladies model is adorned with diamonds and precious stones on the bezel and crown, while both models come with a rubber strap that reinforces the sporty and modern look.
