PRIME TIME

BY CHERILYN M. SAJORDA

Mother
(of Pearl)
Lode

In Chinese lore, mother-of-pearl is believed to attract wealth and good fortune. On watches, mother-of-pearl is simply beautiful. The following timepieces highlight its shimmering luster.

[1] Timepiece (shown in men's and women's versions) from the High Light collection features a gem-set polished-steel case, mother-of-pearl dial with numerals and date at the 6 hour on the men's model, and leather strap.
